

1 基本理念と基本方針

Table with 2 columns: 基本理念 (Basic Philosophy) and 基本方針 (Basic Policy). It outlines the goal of a multicultural society and the goal of creating an environment where everyone can live peacefully.

2 外国人県民を取り巻く現状・課題

- List of current issues and challenges for foreign residents, including population trends, social integration, language barriers, disaster preparedness, and support needs.

3 第4期計画における新規・拡充のポイント

- 6 key points for the 4th period plan, focusing on increasing foreign residents, providing administrative services, improving living conditions, promoting Japanese education, ensuring labor force, and supporting integration.

4 施策の方向性（第3期と第4期（案）の比較）

第3期

Table showing the direction and main measures for the 3rd period. It covers areas like regional society, foreign residents, information collection, learning support, consultation, and labor support.

第4期（案）

Table showing the direction and main measures for the 4th period (proposal). It includes new and expanded points such as multicultural understanding, regional activation, information collection, learning support, consultation, and labor support.

第1回審議会から変更有 (文化 → 共通認識)

1 多様性を理解・尊重する文化の醸成
